		<b>DATE EFFECTIVE</b> <b>IMMEDIATELY</b>
<b>SUBJECT:</b>  <b>"FLOOD DAMAGED" VEHICLES</b>		<b>PROGRAM LETTER NO.</b>  <b>BULLETIN NO.</b> B 84-54
<b>ISSUED BY:</b> 	<b>APPROVED BY:</b> 	<b>MANUAL TRANSMITTAL NO.</b>

Due to the recent weather conditions and the resulting flood situations it becomes necessary to remind you of the regulations pertaining to "Flood Damaged" vehicles.

**N.J.A.C. 13:21-5.6 Registering flood-damaged vehicles.**

Vehicles that were damaged by flood conditions shall not be registered unless the application for registration is accompanied by the Certificate of Ownership that has been noted "FLOOD VEHICLE" directly beneath the Certificate of Ownership number.

**N.J.A.C. 13:21-5.7 Notification of flood damage.**

A motor vehicle damaged by flood conditions in this or any other state must be so described on the manufacturer's statement of origin, assignment of the Certificate of Ownership or the application for Certificate of Ownership with the descriptive phrase "FLOOD VEHICLE" and the resulting Certificate of Ownership and all subsequent Certificates of Ownership shall be so noted.

No vehicles that were damaged by flood should be titled or registered without indicating the fact that they are now a "FLOOD VEHICLE".
